

## 8 in. Decorative Tub Spout with Pull Down Diverter in Oil Rubbed Bronze

Update your bathroom with the Danco Tub Spout with Diverter in Oil Rubbed Bronze. Replacing your dirty, dingy tub spout will help upgrade the look of your tub/shower and help prevent leaks. Old worn out tub spouts have a tendency to erode and crack creating unwanted leaks. Updating your tub spout is not only simple and easy, but it is also a money saver. This tub spout is constructed from metal for strength and durability in your tub/shower. It features a 7-1/4 in. reach to provide an abundance of clearance space. This tub spout comes complete with adapters, a wrench and Plumber's Tape for an easy and seamless installation. For a sharp, tailored look in your bathroom choose Danco's Oil Rubbed Bronze Diverter Tub Spout.
