

This product is NOT intended for seaming rubber to rubber or adhering rubber to metal, fiberglass or plastic surfaces. User determines suitability for intended use and assumes all risk and liability.

Caution: For Industrial Use Only. Use cautionary information carefully.

Keep out of reach of children.

Contains no hazardous ingredients per OSHA 1910.1200.

Precautions: Vapors are heavier than air. Prevent build-up of vapors. Open all windows and doors. Use only with cross ventilation. Avoid prolonged exposure to the vapors.

Health Hazard Information:

Skin: This product may cause skin irritation upon repeated contact.

Eyes: If splashed into eyes, may cause irritation. Untreated, may cause caustic burns.

Inhalation: Overexposure to high vapor concentration in poorly ventilated areas may cause headaches, nausea and irritation to the nose and throat.

First Aid Information:

Skin: Wash with soap and water. If irritation persists, get medical attention.

Eyes: Flush eyes with clean water for 15 minutes. Get medical attention.

Inhalation: Remove to fresh air. If not breathing, administer CPR. Get medical attention.

Ingestion: Induce vomiting by giving syrup of Ipecac or by touching finger to back of throat.

In case of fire or spill: Wear self-contained breathing apparatus. Ventilate area and absorb with absorbant material.
