## High-Fidelity Audio

With three mics and reduced wind noise, you'll get natural audio quality—even at breakneck speeds.

## Rugged + Waterproof

When you wanna play rough, HERO8 Black is always game. Plus it's completely waterproof down to 33ft (10m).

## GoPro App

Capture. Edit. Share. Repeat. The GoPro app automatically creates awesome edits and makes it easy to share them with the world.

## You call the shots.

Go hands-free with 14 voice commands like "GoPro, start recording." Or wake the camera up with "GoPro, turn on."

## Comin' atcha live.

Share while you're there with HD live streaming to Facebook Live, YouTube™ and more.1

## Ready, preset, go.

Create custom presets or choose from: Standard, Activity, Cinematic and Slo-Mo. You even get awesome on-screen shortcuts to your favorite features.

## Timing is everything.

Shoot rad group shots—that include you—with the 3 or 10 second timer.

## Short and sa-weet.

Grab 15 or 30 second clips automatically. Just press the shutter once and capture the moment.

## 4K60 video radness.

Capture crisp detail with HyperSmooth stabilization and Super slo-mo.

## Slo-mo, meet HyperSmooth 2.0.

Grab ridiculously smooth 8x slo-mo action. Now powered by HyperSmooth 2.0 to make anything you do look even smoother.

## An eye for awesome.

It knows when you face the camera, smile, blink and more. The GoPro app even picks the best shot automatically.

## HERO8 Black

Free 32GB SD card included.
