

# WARRANTY

All products are under warranty against manufacturing defects with the following terms and conditions:

- All Hyde tools are under warranty from defective workmanship and materials in the normal use of the product.
- Any such defective product will, at our option, be replaced or repaired free of charge if returned to Hyde.
- Our liability under all warranties, expressed or implied, shall be limited to replacement or repair of defective products.
- The Black and Silver® and Pro Stainless™ products are guaranteed forever.

**Please note:** HYDE® stainless steel tools have a small amount of carbon added for extra strength. Consequently these tools are rust-resistant but not fully rust-free. Please maintain them properly to prolong the life of the tool.
