Overall Dimensions: 21" x 12" x 5"  
533.4mm x 304.8mm x 127mm  
Cutout Dimensions: 19 3/4" x 11 5/8" with 1/4" radius  
501.6mm x 295.2mm with 6.4mm radius

## Frontier Lid with Top Handle

### Model B96003

Perfect for any of Kenyon lidless grills. Ideal for tight areas.  
Marine-grade 304 stainless steel.

## SILKEN® Grill Lid

### Model B96018 - Lift-Off Lid

### Model B96019 - Hinged Lid

Through the use of high temperature silicone, the lid can collapse to a height of two inches and remove for storage. The insulation quality of silicone allows for very fast and even heat.

The No Lid All Seasons™ Built-In Grill enhances the grilling experience. The cast aluminum grate transfers heat quickly from the concealed electric element, producing the look and taste of a high quality gas grill without any open flames to deposit unwanted material or chemicals onto your food.

The waterproof Lite-Touch™ control activates the concealed heating element while providing visual indication of the heat setting. Simply touch the On/Off circle and then raise or lower the heat setting by pressing the + or - graphic on the sealed moisture proof panel.

The Kenyon No Lid All Seasons™ Built-In Grill is constructed of the highest quality, marine-grade stainless steel. And as all Kenyon products, backed by uncompromising quality, exclusive 3-year product replacement warranty, and the best customer service in the industry.
