THOMAS PAYNE POWER PORT

Introducing the Thomas Payne Power Port. This new feature located on the armrests of the Seismic Series (Left hand and right hand recliners only) furniture pieces allows you to plug in various accessories so you can enjoy even more relaxation inside your RV.

WINE CADDY

Now you can drink your wine and have a secure place to hold it in your RV. Our wine glass holder pairs perfectly with your Thomas Payne Power Port for Seismic Series furniture.

- Securely holds stemmed wine glasses
- Plugs directly into Thomas Payne Power Port
- Allows you to use stemmed wine glasses on the road

THREE-SPEED PORTABLE FAN

Feel the breeze with this rechargeable, handheld portable fan that fits right into your Thomas Payne Power Port for Seismic Series furniture.

- Plugs directly into your Thomas Payne Power Port
- Rechargeable battery
- Adjustable for optimal positioning
- Three, one-touch fan modes
- 2-hour battery life

LED READING LIGHT

Upgrade your Thomas Payne Seismic Series furniture seating with this rechargeable, LED light.

- Equipped with LED lights
- Plugs directly into your Thomas Payne Power Port
- Rechargeable battery
- Easily adjusts to meet your lighting needs
- Lightweight and easy to set up or store
- Three, one-touch lighting modes
- 2-hour battery life

360 SWIVEL DESK

Now you can create a personal desk space inside your RV. This easy-to-install, removeable desk attaches to your Thomas Payne Seismic Series furniture to give you an extra place to set belongings.

- Attaches to your Power Port
- Lightweight, easy to install and dismantle
- Perfect place to eat, read, use your computer, or store belongings
- Swivel-adjustment for optimal positioning
- Easy to clean with a non-abrasive cleaning solution

WIRELESS PHONE CHARGER

This wireless phone charger and cradle is the perfect addition to your RV's Thomas Payne Seismic Series furniture.

- Wirelessly charges your smartphone*
- Flexible, adjustable neck for positioning
- Cradle adjusts to 7.5 inches to fit various phone sizes
- Includes alternative USB connection port to charge phone with USB cord (not included)

**Supports Qi-enabled devices*

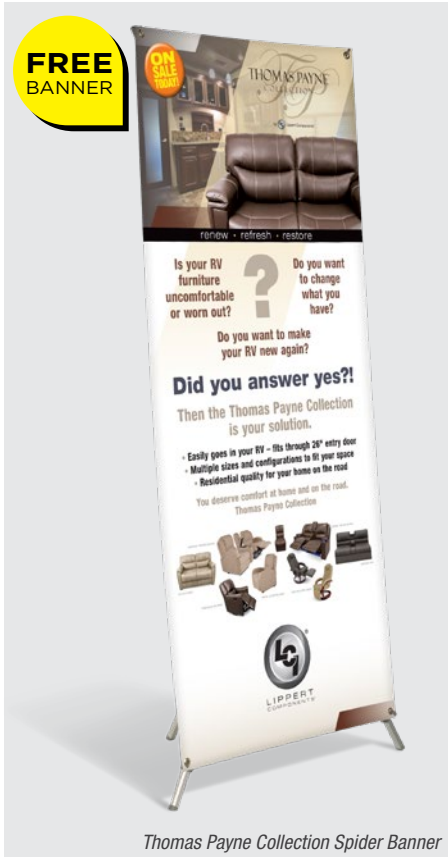

NEW THOMAS PAYNE FABRIC CLEANER COMING SOON

Introducing the professional vinyl, leather and upholstery cleaner from Thomas Payne

- Removes the toughest spots on vinyl, leather and carpet surfaces
- Perfect for clear vinyl, indoor / outdoor fabric and canvas
- Leaves a clean, soft, non-greasy shine
- Safe, non-caustic, non-butyl and biodegradable
- Spray on, wipe off application

Floë Drain Down System

Floë Packaging

INTERIOR

MEET FLOË

An industry-first, integrated water drain-down system that lets you flush out your RV's water system, anywhere, anytime. Using compressed air pressure, Floë clears your water lines — cleaning out the stagnant water that could cause harmful bacteria growth. It's an easy, convenient way to clean your RV, boat, or any mobile vehicle's freshwater system.

Floë offers you the peace of mind and ease of draining your lines whenever and as often as you'd like. In no time, you can get back to enjoying drinkable water that's ready for your family, friends and pets to use. Or you can prep your RV, trailer, vacation home or boat for winterization — preventing frost damage to your pipes and freshwater tank.

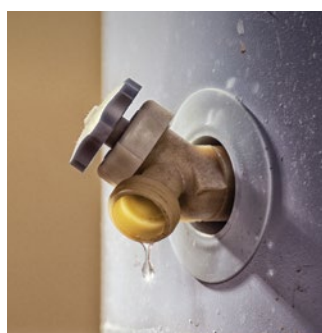

HERE'S HOW FLOË WORKS

First, run your water until your tank is empty. Once you've finished, turn on Floë, and open each faucet, one at a time, until every water line is drained. Repeat this process if needed to completely empty each water line.

And just like that, you're done. In as little as two minutes, your entire water system can be flushed out, and you can be ready for your next big adventure or to store your RV or boat for the winter months.

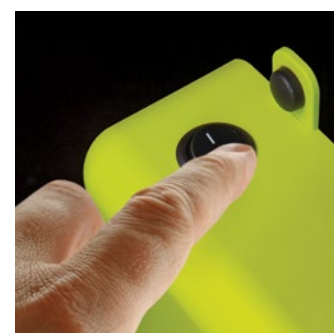

WHY FLOË

- Flushes stale, stagnant water out of pipes
- Helps prevent frost damage during winter months
- Easy installation, no dismantling necessary
- Drains water system in minutes
- NSF 61 and UL verified and approved
- Backed by a reliable one-year warranty

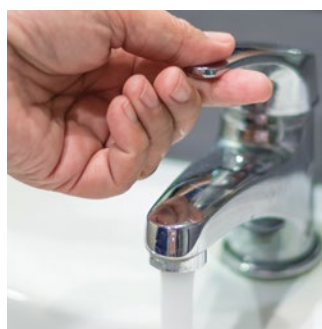

STEP 1

Manually drain water heater and close dump valve and outlets after to seal water system

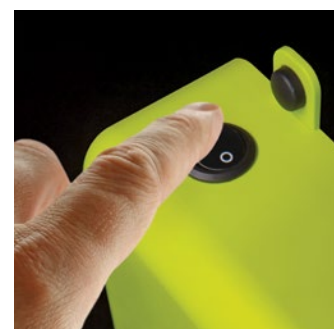

STEP 2

Switch Floë on to compress air into water system

STEP 3

Open and drain each outlet one by one

STEP 4

Switch Floë off and leave all water outlets open

STOP THE STINK

The 360 Siphon RV holding tank vent cap removes odors from the source — the holding tanks — and exhausts them out the roof vent before they have a chance to invade the RV living space. By design, the patented 360 Siphon can only create an updraft, expelling odors and fostering an oxygen-rich environment to speed up waste breakdown.

FEATURES

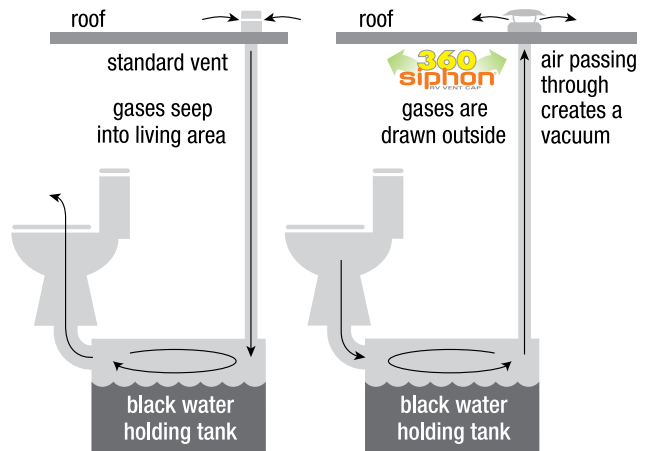

- Prevents odors and gases from invading the RV living space
- Speeds up waste breakdown, eliminating the need for chemicals
- Sophisticated, patented design with no moving parts
- Works in any wind condition
- Made in America of strong polycarbonate
- Available in black or white
- Easy installation and universal fit
- Built-in bug screen
- No maintenance

FREE COUNTER TOP DISPLAY OPPORTUNITY!

Purchase 12 360 Siphon products and receive the counter top display for FREE!

Limited time offer - while supplies last. Limit one display per dealership. Minimum order to qualify. Free qualifying display is to be kept clean, visible to consumers in retail store and showcase only Lippert product. Displays subject to change.

Solera®

BY LIPPERT

SOLERA AWNINGS

YOUR UNIVERSAL CHOICE FOR ALL THINGS SUN AND SHADE

We've revamped our entire awning collection to make your life simpler. The Solera Universal line of awnings and accessories makes it simple and easy to replace your awning. Featuring universal application, Solera Universal products work with competitor awning brands as well as many of Solera's most popular awnings and accessories. With a wide variety of innovative Solera awning models and accessories to choose from, Solera Universal saves time, money and stress.

POWER UP

Power Up your mobile lifestyle with the Solera Smart Arm® 12V Power or 18V Battery Operated awnings. Save yourself the stress and added time of manually setting up your awning!

UPGRADE

Upgrade your current manual or power awning with Solera Universal Hardware! Our hybrid and power awnings set up automatically for camping as they extend.

FIX IT

Tired of your old manual or power awning? With our newly designed Solera Universal Hardware, replacing your broken or worn out hardware has never been easier, no matter what awning brand you have.

Solera Universal components fit any of these brands:

Dometic* (A&E)

Universal Hardware fits the following Dometic® 8' extension awnings models: 8500, 9000, 9100, Sunchaser and Weather Pro

Solera®
BY LIPPERT

Universal Hardware fits the following Solera 8' extension awnings models: 18V Power, Smart Arm® 12V, Hybrid and Classic Manual.

Carefree™**

Universal Hardware fits the following Carefree™ 8' extension awnings models: Spirit, Fiesta, Simplicity Traveler and Eclipse

*Dometic® is a registered mark and logo owned by Dometic Sweden and A&E is a mark used by Dometic Group. **Carefree™ and the Carefree logo are a mark and logo used by Carefree of Colorado, member of The Scott Fetzer Co.

NEW SOLERA PROFIT PROGRAM DISPLAY DEAL

The Solera Universal brand has numerous successful dealer profit programs under its belt. The Universal Hardware program supplies you with all the latest hardware to go Universal. Solera Slide Topper's are a big up-sell to your customers, giving them protection from the elements. The Universal Fabric Replacement program has all your awning replacement fabric needs covered, from slide toppers to awnings. The Universal Shades and Rooms program lets RVers expand their outdoor living space, create shade and keep the bugs out. Solera has you covered.

SOLERA® UNIVERSAL SLIDE TOPPERS DEALER PROFIT PROGRAM

PROTECT YOUR INVESTMENT

Give your slide-outs extra protection from debris and water infiltration with Solera Universal Slide Toppers. These attractive and economical slide-out awnings automatically retract and extend with your slide-out and prevent leaves, bird droppings, branches and more from damaging slide-out seals.

FEATURES

- Attractive and economical protection for your slide-out
- Heated wedge welding fuses vinyl together for strong, leak-resistant seams
- Blocks leaves, bird droppings, branches and debris
- Automatically retracts and extends with slide-out
- Fits slides ranging from 66" to 192" long and extending up to 48"
- Comes complete with awning rail and all mounting brackets
- Premium 13.5 oz fabric

PREPPING OVER 200,000+ OEM SLIDE-OUTS IN 2019-2020... AND THAT'S JUST THE START

If you're not in the slide topper business, the new Solera Slide Topper Prep Program provides a fast and easy solution to Slide Topper Installation. Now is the time to get into the slide topper business and Lippert is making it easier than ever.

SOLERA® UNIVERSAL REPLACEMENT FABRIC DEALER PROFIT PROGRAM

SOLERA AWNINGS

Solera Slide Topper Replacement Fabric Box

UNIVERSAL SLIDE TOPPER REPLACEMENT FABRIC

Stop wasting time by custom ordering slide topper fabric every time you get an order, and save room for more inventory! Our Slide Topper Replacement Fabric boxes are compact yet durable and are a universal fit, meaning no more guesswork when it comes to replacing slide topper fabric. Works with: Solera, Dometic®* and Carefree™**

FEATURES

- Our slide topper fabric is universal, fitting all three major slide topper brands
- Premium, 13.5 oz fabric - not the competition's 10 oz fabric
- Best of all, we offer a cut-to-fit option in a tissue-style box, complete with easy-to-use roller. Just extend out the amount of fabric you need and cut
- Roll stays in place with plastic reel (competitors do not offer this)

		Competitor A	Competitor B

SOLERA® UNIVERSAL SHADES AND ROOMS DEALER PROFIT PROGRAM

FRONT AND SIDE SHADES

Perfect for all awnings, the one-piece, black Solera Front Shade is easy to slide into your awning roller tube whenever you need a little extra shade, privacy or wind block. Solera Front Shade panels are available in 8', 10', 13', 15', 17' & 19' widths, each with a 6' screen height. The Front Shade kit includes storage bag, spikes and tie downs.

SOLERA SUPER SHADE®

Many of the larger RVs today have patio awnings that are too high to reach when they are fully extended, and that's why we created the Solera Super Shade! The two-piece, black Solera Super Shade® features a standard 6' shade height that easily zips into a Solera Super Shade extension and can be permanently installed into your awning's roller tube.

SOLERA FAMILY ROOM®

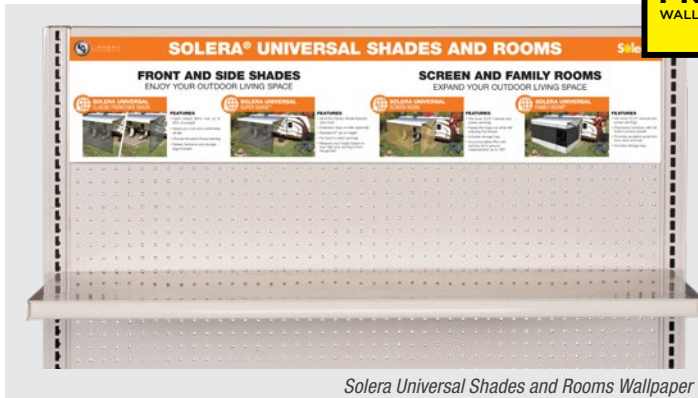

Turn the space under your awning into an enclosed outdoor patio with the Solera Family Room kit. Add up to 160 square feet of enclosed space so you can enjoy meals minus pesky insects. Or roll down the all-weather panels and use as a cozy sleeping area for kids. 10-21' rooms available.

SCREEN ROOM

Keep the bugs out and enjoy the breeze with the Solera Screen Room. Its neutral tan material helps to block out extra heat, making the Solera Screen Room perfect for outdoor dining, board games and social gatherings on hot summer days. 10-21' rooms available.

STABLE. STURDY. SOLID.

The Solid Step®'s innovative design permits the step to operate through a wide range of ride heights. The design also ensures that the steps stay parallel to the ground, reducing the potential for slipping or falling during use. The Solid Step design permits the step to stow inside of the entry door, keeping road debris and corrosion away while simultaneously permitting continuous skirt metal on the RV, enhancing the aesthetics of the coach.

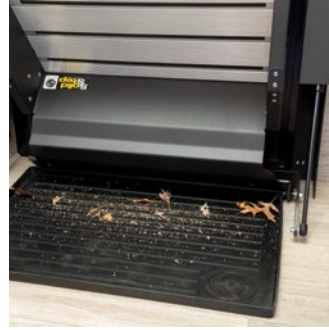

- No bounce, manual steel step with aluminum treads
- Threshold panel behind the top step to protect the trailer sidewall from damage
- Recessed feet prevent trip hazard and maximize clearance for camping spot
- 13" XL top step depth for easy entry and exit
- Aluminum treads that hold up against the elements
- Mounting fasteners provided for either wood or laminate floor applications
- Double, triple and quad variations available
- 400-lb. capacity
- Includes floor backing plate

SOLID STEP® GEN. 3 ENTRY STEP & ACCESSORIES DEALER PROFIT PROGRAM

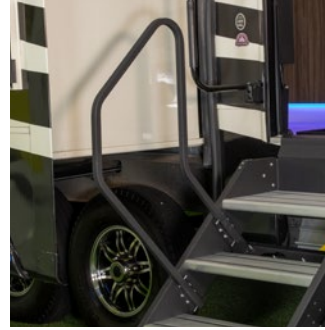

LIFT ASSIST UPGRADE KIT

Make raising and lowering your Solid Step easier with the addition of Lift Assist, allowing even our largest quad step to be lifted with just one finger!

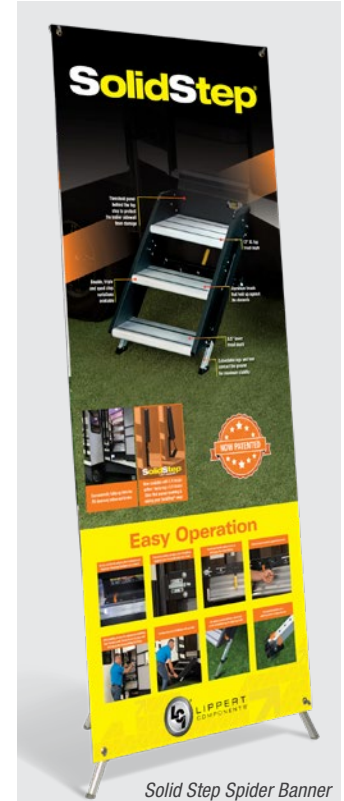

ALL-WEATHER FLOOR TRAY

Designed to collect debris from stored Solid Step treads, the versatile All-Weather Floor Tray works wonders as a catch-all for dirt and debris.

ENTRY ASSIST HANDRAIL

The perfect accessory for any Generation 3 Triple or Quad Solid Step, the Entry Assist Handrail provides added support when entering and exiting the RV.

SCREEN SHOT® AUTOMATIC SCREEN DOOR CLOSER FOR RVs

The majority of RV screen doors do not come with a retracting hinge, allowing the screen door to hang wide open if it is not shut properly. This invites unwanted pests inside your living space and detracts from the RV's heating and cooling.

FEATURES

- Patent pending design automatically closes the screen door when left opened
- Keeps unwanted pests out of your living space
- Easy DIY installation
- All required fasteners included

BRING YOUR PETS ALONG WITH SCREEN DEFENDER

Protect your pet and your RV with the Lippert Screen Defender entry door screen protector. Bring your pet along with you for the adventure without worrying about them getting out of the RV at unwanted times or damaging your Lippert screen door.

FEATURES

- Protects RV screen doors
- Black powder-coated aluminum screen
- Available in sizes to fit 24", 26" 28" and 30" door widths
- Compatible with Lippert's full line of screen doors for travel trailers, 5th wheels, and for motorized doors on motorhomes
- Fits into existing extrusion channels on the RVs screen door

STAY PUT TECHNOLOGY WITH FRICTION HINGE

Upgrade your RV entry door with ease. With the Friction Hinge from Lippert your door stays in the exact position you need it to, and it can handle wind gusts of up to 25 mph — helping to protect your door and your RV from harmful, costly damage. Easy-to-install, this hinge is a win-win on the open road. The Friction Hinge is compatible with all Lippert RV and trailer entry door series.

FEATURE

- Keeps RV entry door open in wind gusts up to 25 mph
- No need for door catches or gas strut
- Helps protect your RV entry door and sidewalls
- No additional hardware required
- Easy installation
- One-year warranty

ENTRY DOOR UPGRADE DEALER PROFIT PROGRAM

BLOCK LIGHT AND HEAT, CREATE SHADE WITH THIN SHADE™

Are you one of the millions of RVers without an entry door shade solution? Prevent sunlight and heat from entering through your RV entry door window and add instant privacy to your home on wheels with the Thin Shade Complete Kit or the Thin Shade Ready Kit for prepped entry doors. The Thin Shade keeps the sun's rays out of your RV living space, helping to regulate the interior temperature and can create instant privacy.

Ground Control TT Leveling

ONE-TOUCH TRAVEL TRAILER LEVELING

Ground Control TT is the first-ever automatic one-touch leveling system designed for travel trailer RVs. Long gone are the days of cranking manual jacks and using chocks and wedges to level your travel trailer. Four leveling jacks as well as the power tongue jack level your trailer accurately every time. Manual setup is now a thing of the past!

JT'S STRONG ARM DEALER PROFIT PROGRAM

JT's Strong Arm

JT's Strong Arm Travel Trailer Kit

PUT AN END TO UNWANTED CHASSIS MOVEMENT

Each JT's Strong Arm stabilizer tube bolts on to each landing gear leg and to the RV frame, forming a rigid triangle to eliminate unwanted chassis movement and provide a rock-solid camping experience with no welding required. The patented universal system is designed to attach to the three main types of jacks found on RVs: scissor, front landing gear and telescoping. JT's Strong Arm Jack Stabilizers come in easy bolt-on kits of four or six stabilizer tubes and include everything needed for installation.

FEATURES

- Eliminates annoying chassis movement
- Provides a rock steady camping experience
- One-time installation/permanently attached
- Works with all types of jacks
- Bolt-on installation — No welding required
- Includes 6 stabilizer bars plus all hardware

POWER STANCE™ TONGUE JACK

Delivering on power, versatility, and durability like never before, the Power Stance tongue jack by Lippert was engineered with all of the same great features as our original power tongue jack — and then some.

This jack can be operated with an industry-first 2-way-to-7-way plug powering system. The Power Swap Auxiliary Cord™ (sold separately) can be added to any Power Stance — allowing you to easily connect your jack directly to your tow vehicle without worrying about draining your RV's power.

FEATURES

- Power Swap Auxiliary Cord 2-way-to-7-way plug powering system (sold separately)
- 7-way plug storage inlet underneath the hood of the jack
- Integrated safety chain storage ring
- Helical cut gears reduce noise and improve operating efficiencies
- 3 LED lights improve lighting and reduce power consumption
- Textured casing protects against chips and cracks
- Enhanced rocker switch for improved durability
- 3,500 lb. capacity; 18" stroke; 30 AMP
- Emergency crank thru socket
- Removable foot pad included
- Increased UV protection

POWER SWAP AUXILIARY CORD

Add the Power Swap Auxiliary Cord (sold separately) to your Power Stance tongue jack to equip it with a more convenient, less hassle power source. The 2-way-to-7-way plug connects your jack right to the power in your tow vehicle. No more draining the battery in your RV. And no more worrying whether or not there's an available power supply.

Power Swap Auxiliary Cord for Power Stance tongue jack. (sold separately)

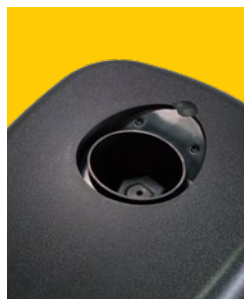

INNOVATIVE VERSATILITY

Every jack comes with an integrated safety chain storage ring — allowing you to clip your chains out of your way instead of dragging them or wrapping them around your jack.

ADVANCED PROTECTION

Convenient storage inlet for you to tuck away your trailer's 7-way connector — keeping it safely protected from damage.

THOUGHTFUL ENGINEERING

In the event of a power failure, this jack is equipped with an emergency manual crank option so you never have to worry about being stranded.

USER-FRIENDLY OPERATION

Built-in LED lights shine directly down on your trailer coupler — making it easy to see and operate your Power Stance jack at night.

The 2-way plug inserts into the jack head underneath the control button.

The 7-way plug inserts into the tow vehicle power receptacle on the back bumper.

NO MORE CRANKING

The Lippert Tongue Jack Profit Program gives you everything you need to sell a variety of tongue jack options. Each tongue jack product comes in Lippert branded, eye-catching packaging that will jump off your shelf!

POWER STABILIZER DEALER PROFIT PROGRAM

Power Stabilizer

HIGH-SPEED STABILIZATION

The PSX1® Power Stabilizer by Lippert lets you do the one thing you want most – spend more time camping, and less time setting up for camp. With the flip of a switch, you can take the sway out of your RV or trailer in minutes. No more manual cranking. No more hassle.

Uneven terrain? No problem. Each leg of our stabilizer operates independently — automatically reacting to bumpy, rugged surfaces until the RV is secured safely in place. Plus, our PSX1 Power Stabilizers are compatible with most RVs and trailers on today's market.

FEATURES

- Legs automatically adjust to uneven terrain
- Front and rear mounting applications available for maximum stability
- Constructed with a heavy gauge steel frame
- Embossed legs for added protection
- Powder-coat finish to reduce wear and tear from the elements
- One motor independently controls both legs
- Legs extend up to 30"

SEAL YOUR BUSINESS WITH ALPHA

Maintaining your RV just got easier. Formulated specifically to tackle the unique challenges of RV upkeep, adhesives and sealants from Alpha Systems will keep RV owners safe, happy, and dry for years to come. Alpha's complete product line features premium sealants, tapes, roofing kits, and much more.

Whether you need to seal around a window or railing, or patch a pesky leak or two on your roof, Alpha's products help get the job done right so you can enjoy the road ahead without worry.

SEALANTS

Alpha's complete line of advanced adhesives and sealants stand up to extreme weather, ozone, UV rays and vibrations, and includes all-weather sealants, solvent-based and water-based adhesives.

TAPE PRODUCTS

Our taping solutions are quick to install and leave you with no gaps to worry about — assuring that your seals are leak-proof. Designed with a non-drying compound, Alpha tapes have excellent resistance to water, weather, and air intrusion.

ROOFING KITS

Today's RVs demand better, more flexible roofing membranes for their complex designs which means you need an Alpha Systems SuperFlex Roof Kit. These kits supply you with all the major items you need to complete your next RV roof project.

COMPACT CLEAN ON THE GO

With the Flow Max 40V Portable Power Cleaner, you can take on all of your outdoor cleaning projects like a pro. This lightweight, ultra-portable power cleaner doesn't require a spigot or garden hose connection to work. Just drop the included hose line in a bucket full of water, pool, lake, or other water source and get the job done

Easy to store in a garage, under boat seats, or in your RV, our Flow Max Power Cleaner comes equipped with the versatility and power you need to conquer everyday cleaning jobs around the house or on the road. Plus, it's equipped with a 6-in-1 spray attachment, soap bottle, long nozzle, and rotatable nozzle, so you can adjust your spraying style project to project.

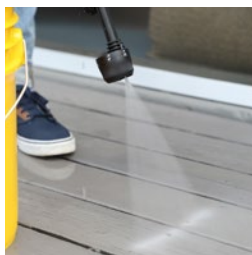

FEATURES

- 520 max psi
- Lightweight and easy to transport
- Complete with 2 40V lithium-ion batteries
- High and low-pressure settings
- Long nozzle and rotatable nozzle included
- 6-in-1 spray attachment
- 25 oz. soap bottle
- Up to 28 minutes of battery life
- 4-hour charging time per battery

EASY CLEANING

Lightweight and compact, this power cleaner doesn't need a hose or spigot for operation. All you have to do is drop the included hose line in a water source like a lake, pool, or bucket, and spray away. It's that easy.

SIMPLY POWERFUL

Complete with (2) 40V lithium ion batteries, this pressure washer can reach up to 520 PSI, and can run up to 28 minutes, so you can spray down those hard to clean surfaces with no problem.

FULLY EQUIPPED

The Flow Max Power Cleaner comes with a 6-in-1 spray attachment, long and rotatable spray nozzles, and 25 oz. soap bottle, so you can switch up your cleaning style whenever you need to tackle everything from washing the car to watering the flowers.

TIRE LINC TPMS DEALER PROFIT PROGRAM NEW

Tire Linc Tire Pressure and Temperature Monitoring System

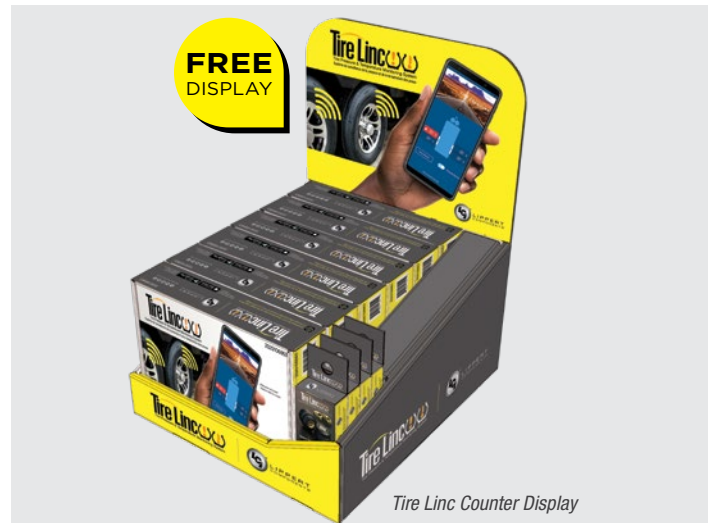

ALWAYS BE READY FOR THE ROAD

The Tire Linc® system is the easy-to-install, always-on tire pressure and temperature monitoring system that makes sure you're always ready for the road. Integrated with Lippert's OneControl® app, you can monitor tire pressure and temperature right from your smartphone — don't mess with additional dashboard interfaces again.

Before a trip, on the road, and in any weather conditions, make sure you know the state of your tires with the monitoring system from a manufacturer you trust.

FEATURES

- Monitors and alerts drivers of high or low tire pressure and temperature
- Easy, do-it-yourself installation
- Works with OneControl app on iOS and Android devices
- OneControl app allows users to enter the manufacturer's suggested PSI range for each tire
- Kit includes 4 sensors and can also monitor up to 20 tires simultaneously
- Additional sensors are available for purchase and can track tires on additional towed vehicles or large RVs with more than 4 tires
- Repeater technology strengthens wireless signal in order to easily reach the tow vehicle
- Sensors come with CR2032 batteries (replaceable)

WEIGHT DISTRIBUTION

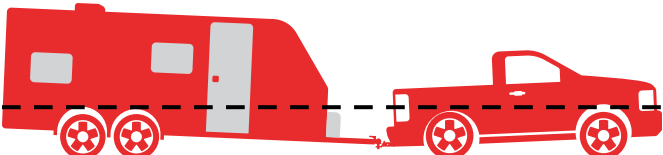

Level your vehicle and trailer and get safer, smooth towing with a CURT weight distribution hitch. We offer trunnion and round bar WD hitches. Add a sway control unit for even more control or select the TruTrack™ for combined weight distribution and integrated sway control.

WHY USE A WEIGHT DISTRIBUTION HITCH?

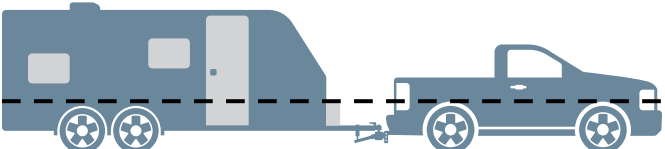

CURT weight distribution hitches are designed to distribute the tongue weight of a trailer across all axles of the vehicle-trailer combination, allowing for more control and safer towing. We offer both round bar and trunnion bar hitches in a range of weight capacities. Most WDs are also available in a kitted option with a pre-torqued trailer ball and sway control.

FEATURES

- Trunnion and round bar options
- Multiple capacities to choose from
- Kits include a pre-torqued 2-5/16" trailer ball and sway control unit
- Protected by a durable black powder coat finish

Without weight distribution

With weight distribution

- Integrated sway control actively resists sway and levels the vehicle and trailer
- Welded head with cast pieces provides solid spring bar attachment
- Uses spring & cam system with hardened components, instead of metal friction
- Brackets use friction to resist lateral movement, replacing a sway control
- Fits virtually all A-frame trailers

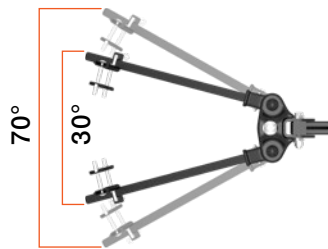

Quick, easy tilt adjustment, no disassembly required

Adjustable brackets provide fixed support unlike chain models

DID YOU KNOW?

TruTrack is designed to work in two neutral spring bar settings to fit almost all A-frame trailers. The spring bars can easily be repositioned in the 30-degree or 70-degree position (+/-5 degrees). Adjustment takes only 15 to 20 minutes, start to finish.

17062 / 17063 (sway control incl.)

17200

MV ROUND BAR WD KITS & SWAY CONTROL

- Grease zerks fitting provides easy, continuous lubrication
- Snap-up brackets and lift handle for easy leveraging of spring bars
- Heavy-duty, fabricated head can be adjusted for precise leveling

Sway control units reduce lateral movement, commonly caused by the wind, while pulling a trailer. The diagrams below illustrate the effectiveness of using sway control units. Two sway control units should be used for maximum control and stability.

A-SERIES 5TH WHEEL HITCHES

The A-series is named for its articulating head design. The head is built on a patented cast yoke that offers a stable, quiet ride, even with large 5th wheel trailers. This cast yoke also features torsion springs and poly-torsion inserts to support the head and add even more stability to the connection.

- Lockable, self-resetting handle for fewer steps while coupling
- One-pin head attachment for easy removal and relocation
- High-strength interlocking jaws to add security and reduce noise
- Compatible with rotating pins boxes, such as Sidewinder™

16428 brackets shown with 16204 base rails

CUSTOM BRACKETS & BASE RAILS

- Vehicle-specific bracket applications eliminate drilling, cutting installation time in half
- Brackets designed to be used with CURT industry-standard base rails
- Protected by a rust-resistant liquid Bonderite® coating

THREE-POSITION COUPLING INDICATOR

Three-position coupling indicator clearly shows coupling status

- UNCOUPLE** Jaws unlocked, ready to uncouple
- COUPLE** Jaws open, ready to couple
- TOW** Jaws locked, ready to tow

16721025

16722

5TH WHEEL LUBE PLATES

- Provides a buffer between 5th wheel head plate and kingpin box
- Reduces normal wear and tear when towing
- Eliminates messy grease deposits on hitch head plate
- Constructed from tough polyethylene

5TH WHEEL & GOOSENECK OEM PUCK SYSTEM DEALER PROFIT PROGRAM

5TH WHEEL PUCK SYSTEM LEGS

Installing a 5th wheel hitch couldn't be easier than with CURT OEM puck system 5th wheel legs or rollers. They simply drop into the truck bed puck system built into select pickups and instantly provide a solid mounting platform for a 5th wheel hitch.

- Allows CURT 5th wheel hitches to fit an OEM puck system
- Quarter-turn anchors allow for quick installation and removal
- Anchors can be adjusted to eliminate chocking between the legs and under-bed platform
- Highly durable carbide powder coat finish

HOW TO INSTALL OEM PUCK SYSTEM PRODUCTS

Step 1 - Drop OEM product into the truck bed puck system

Step 2 - Close the anchor levers to lock the 5th wheel into place

Step 3 - Secure levers with attached safety pins and you're ready to hitch up your trailer

A-SERIES 5TH WHEEL HITCHES

- Lockable, self-resetting handle for fewer steps while coupling
- Fully articulating torsion head for controlled coupling and stable towing
- Alignment pegs and easy-access mounting bolts for simple leg-to-body attachment
- Cast yoke and poly-torsion inserts suppress shock loads and reduce noise
- One-pin head attachment for easy removal and relocation
- High-strength interlocking jaws to add security and reduce noise
- Compatible with rotating pins boxes, such as Sidewinder™

THREE-POSITION COUPLING INDICATOR

Three-position coupling indicator clearly shows coupling status

OEM PUCK SYSTEM GOOSENECK KITS

Available for Chevrolet, Ford, GMC, Nissan and Ram, these kits utilize the truck bed puck system built into select pickups with the towing prep package. The ball and anchors easily drop into the pucks, lock into place and are immediately ready to couple.

- Kits include a 2-5/16" gooseneck ball, two safety chain anchors, rubber hole cover and durable storage case
- Ball installs easily with quarter-turn latch locking system and anchors simply drop in, eliminating the need for tools
- Wide openings accept large safety chain hooks
- Stainless steel retention balls keep the gooseneck ball's shank fully locked into the hitch

Shown with A25 5th wheel and base rails (not included)

BETTERWEIGH™ MOBILE TOWING SCALE DEALER PROFIT PROGRAM

WHAT IT MEASURES

BETTERWEIGH MOBILE TOWING SCALE

- Measures real-time vehicle-trailer weights for safer, easier towing and hauling
- No more complicated at-home measurements or trips to the scale
- Bluetooth connection provides active readouts on the driver's smartphone
- No-install, plug-and-play setup into vehicle diagnostic port (OBD-II) below the dash
- Accurate within + / - 5%
- Offers easy brake controller setup by measuring exact trailer brake gain needed
- App available for Apple iOS and Android OS

FREE BETTERWEIGH DISPLAY OPPORTUNITY

Purchase 12 BetterWeigh units and receive a free BetterWeigh counter display.

Limited time offer - while supplies last. Limit one display per dealership. Minimum order to qualify. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only CURT product.

FREE DISPLAY

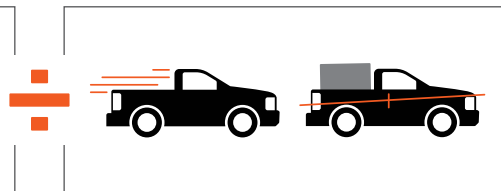

HOW IT WORKS

FORCE

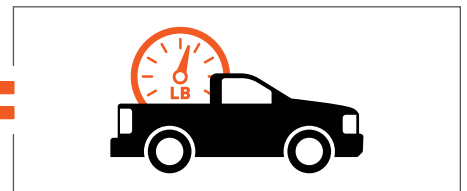

Force is determined by measuring slip across the torque converter as the vehicle accelerates through 15 mph

ACCELERATION

An integrated accelerometer detects how quickly the vehicle takes off and measures changes in the vehicle's pitch

WEIGHT

BetterWeigh™ calculates towing weights by gathering data from the OBD-II port and applying Newton's Second Law

SHOCKDROP™ SERIES DEALER PROFIT PROGRAM

SHOCKDROP TECHNOLOGY

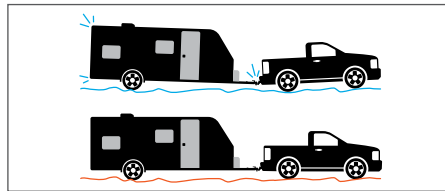

ShockDrop technology is an adaptive, dynamic towing system that is engineered to reduce vibrations, rattling and strain on the vehicle. It does this by using an integrated, flexible polyurethane isolator for improved comfort and control. Compared to other cushion hitch options, ShockDrop is simple and virtually maintenance-free.

ENHANCED COMFORT

Unlike a traditional towing connection, ShockDrop absorbs road unevenness to maximize comfort

IMPROVED CONTROL

ShockDrop dynamically reacts to jarring, limiting its effects and giving the driver increased control on the road

UNMATCHED CONFIDENCE

Unlike other cushion hitches, ShockDrop is virtually maintenance-free and is tested for thousands of cycles

FEATURES OF SHOCKDROP TECHNOLOGY

- Dampens jerking and jarring from bumps and potholes for smoother towing
- Cushioned isolator reduces rattling and vibration for a more comfortable ride
- Improved trailer control during events of sudden braking
- Minimizes stress on tow vehicle's brakes and suspension for extended longevity
- Virtually maintenance-free with no airbag or bearings to service
- Grease zerk fitting provides easy lubrication

SHOCKDROP SERIES DEALER PROFIT PROGRAM

REBELLION™ XD ADJUSTABLE CUSHION HITCH BALL MOUNT

- Dynamic, adaptive suspension ball mount featuring ShockDrop technology
- Lighter-weight design for less stress on the trailer hitch receiver
- 6-1/4" maximum drop and 1/4" rise (shank cannot be used in the rise position)
- Cast steel construction with a textured, dark grey teridium finish for a premium look on your vehicle
- Tested and rated for 15,000 lbs. GTW and 1,500 lbs. TW
- Fits trailer hitches with a 2" x 2" receiver tube opening
- Equipped with 1-1/4" hole (trailer ball sold separately)

ROCKERBALL™ TRAILER BALL

- Dynamic trailer ball featuring ShockDrop technology reduces jerking and jarring
- Anti-swivel base keeps RockerBall locked in place
- Forged steel construction with a durable carbide black powder coat finish on base and chrome plating on ball
- Tested for safety to meet SAE J684 specifications
- Not compatible with Rebellion XD ball mount

Adjustable, six-position head for precise leveling with different trailers

Grease zerk fitting on the back of the shank provides easy lubrication

Retrofits onto ball mounts with 2-1/2" wide tongues to improve the towing experience

Grease zerk fitting on the bottom of the shank provides easy lubrication

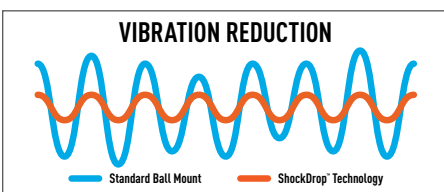

TOWING ACCESSORIES

Whether it's a ball mount, trailer ball, trailer hitch lock or wheel chocks, CURT has the towing accessories you need to outfit your vehicle and trailer for a safe, successful journey. Our trailer hitch accessories allow you to make the most of your adventure and enjoy every mile.

FEATURED PRODUCT: REBELLION™ XD CUSHION HITCH MOUNT

TOWING ACCESSORIES DEALER PROFIT PROGRAM

REBELLION™ XD CUSHION HITCH MOUNT

- Dynamic, adaptive suspension ball mount featuring ShockDrop technology
- Minimizes stress on tow vehicle's brakes and suspension for extended longevity
- Virtually maintenance-free with no airbag or bearings to service
- Lighter-weight design for less stress on the trailer hitch receiver
- Adjustable, six-position head
- 6-1/4" maximum drop and 1/4" rise (shank cannot be used in the rise position)
- Textured, dark grey teridium finish for a premium look on your vehicle
- Rated for 15,000 lbs. GTW / 1,500 lbs. TW
- Fits 2" x 2" receiver tube openings

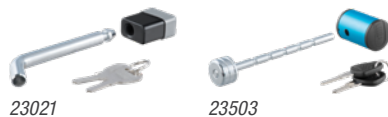

TRAILER BALLS

- Chrome-plated, stainless steel and raw trailer balls available
- Fine threads provide superior holding strength
- Tested for safety to meet U.S. VESC specifications

HITCH & COUPLER LOCKS

- 1/4-turn lock activation
- Watertight dust cap
- Two keys included

CLASS 3 BALL MOUNTS

- Fits any 2" x 2" receiver tube opening
- Multiple drop and rise options to accommodate various vehicle-trailer combinations
- Loaded mounts include a factory-torqued trailer ball and pin & clip
- Increased drop on select models allows for level towing with lifted vehicles

FORGED BALL MOUNTS

- Fits any 2" x 2" receiver tube opening
- Solid, forged steel for superior strength

REDUCER SLEEVES

- #45405 reduces a 2-1/2" x 2-1/2" receiver tube opening to fit a 2" x 2" shank
- #45408 two-piece set reduces a 3" receiver tube opening to fit a 2-1/2" shank or 2" shank

HITCH PINS & CLIPS

- Secures ball mounts and other receiver tube inserts
- Bent handle for an easier grip

CURT MANUFACTURING

Key slot angled upward for easier ergonomic access

23256

5TH WHEEL HITCH LOCK

- Locks a 5th wheel hitch into the rails, taking the place of a pin & clip
- Installs tight against the lip of the base rail for enhanced security
- Extra-long 1/2" diameter pin fits all industry-standard base rails
- Rust-free aluminum housing with a durable black powder coat finish
- Easy-to-access, 1/8-turn lock activation

Universal design fits most 5th wheel trailer kingpins

23255

5TH WHEEL KING PIN LOCK

- Locks on to 5th wheel kingpin to deter theft
- Built with an aluminum body for corrosion resistance
- Two keys included for added convenience

16721025

16722

5TH WHEEL LUBE PLATES

- Provides a buffer between 5th wheel head plate and kingpin box
- Reduces normal wear and tear when towing
- Eliminates messy grease deposits on hitch head plate
- Constructed from tough polyethylene

Adds safety during vehicle maintenance or to parked trailers

22800

WHEEL CHOCK SET

- Raised tread offers a better grip on the wheel
- Saw-tooth edges on the base provide solid traction on the ground
- Always to be used with vehicle brake
- Not for commercial use

25081

25011

SAFETY PINS

- Quickly secures coupler latches, pintle hooks, jack legs or caster wheels
- Square retainer wire clip adds clearance

58141

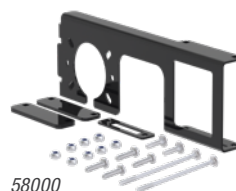

58151

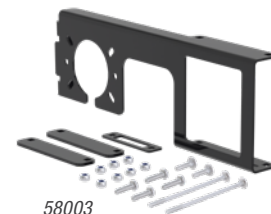

58291

7-WAY RV BLADE PLUG & SOCKET AND MOUNTING BRACKET

- Concealed terminals help ensure a reliable connection
- Splices into existing vehicle or trailer wiring (wires not included)
- High-strength steel bracket secures socket to the vehicle or hitch

58000

58003

EASY-MOUNT ELECTRICAL BRACKETS

- Allows connectors to be hitch-mounted with no drilling or clamping required
- Two threaded stainless steel bolts provide secure attachment to the hitch
- Notched design allows convenient access to pin & clip
- Steel body will not break like competitive plastic products
- Protected by a durable powder coat finish
- Patent #5,664,304

TOWING ELECTRICAL DEALER PROFIT PROGRAM

56070 (7')

7' CUSTOM WIRING HARNESS EXTENSION

- Routes a 7-way RV blade socket into truck bed while retaining use of rear socket
- Simple plug-and-play design; no cutting or splicing
- Allows for easy connection of 5th wheel or gooseneck wiring
- Vehicle-specific, plug-and-play design

Right-angle plug for easy installation

7' routes socket into rear of the truck bed

52044

52028

52010

52023

BREAKAWAY KITS

- Activates electric trailer brakes in the event of a breakaway
- Meets DOT requirements for holding / breakaway situations
- Compatible on trailers with up to three axles
- LED lights indicate a good charge, battery charging or low battery (#52044)
- Bolt-on mounting system for secure installation on the trailer
- Required in most states

BREAKAWAY KIT REPLACEMENT PARTS

- For use with trailer breakaway systems
- Breakaway switch with 10' leads connects tow vehicle to trailer breakaway battery (#52010)
- Sealed lead acid battery for 1-3 axle trailers (12-volt, 5 amps per hour)

7-WAY RV BLADE REPLACEMENT HARNESSSES

- Replaces the trailer-end plug of any 7-way harness
- Wires protected by heavy-duty, weather-resistant cable
- Double-sided blades for improved connectivity

4-WAY FLAT PLUG & SOCKET

- Splices into existing wiring
- Bonded wires and durable molded rubber
- For use on vehicles and trailers with two-wire systems

7-WAY RV BLADE ADAPTER HARNESS

- Adapts 7-way RV blade vehicle socket to fit 4-way flat trailer plugs
- UV-resistant coiled cable extends up to 5' without scraping the ground
- Simple plug-and-play design

No splicing or cutting

7-WAY RV BLADE PLUG & SOCKET

- Concealed terminals help ensure a reliable connection
- Splices into existing vehicle or trailer wiring
- Wires not included

7-WAY RV BLADE CONNECTOR TESTER

- Tests 7-way RV blade for tail, brake, reverse, turn signals, brakes and auxiliary power
- Confirms proper function of vehicle-side wiring connector
- Constructed with LED lights for long-lasting use

RAMBLER™ STEEL TOW BAR DEALER PROFIT PROGRAM

AUTOMATIC, HANDS-FREE LOCKING MECHANISM

ACTIVE SLIDE RESISTANCE FOR ENHANCED CONTROL

70001

THREE STOWING POSITIONS TO AVOID OBSTRUCTIONS

NON-BINDING HANDLES FOR EASY RELEASE

FULLY SEALED DESIGN PROTECTS AGAINST DEBRIS

EXTENDED ARM LENGTH FOR EXTRA HOOKUP RADIUS

UPGRADE YOUR TOW BAR

- Rigorous physical testing for proven safety and performance
- Polymer isolator washers reduce friction for smooth, anti-rattle operation
- Premium textured black finish for lasting corrosion and wear resistance
- Two hitch pin holes for adjustable length and added clearance as needed
- Compatible with CURT or Blue Ox® base plates (sold separately)

NON-BINDING LATCHES

Patent-pending, non-binding latches for easy release on uneven ground

THREE STOWING POSITIONS

Three stowing positions to avoid obstructions and maximize versatility

ONLY 40 LBS.

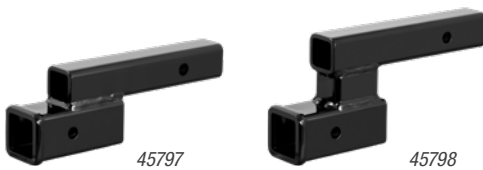

With a total weight of only 40 pounds, Rambler™ is easy to lift, carry and install

RAMBLER™ STEEL TOW BAR DEALER PROFIT PROGRAM

TOW BAR BASE PLATES

- Spreads towing forces equally for reduced stress on the vehicle frame
- Made with a vehicle-specific design for a custom fit
- Precisely welded for superior strength and fit
- Physically tested to gross vehicle weight rating (GVWR)
- Durable high-gloss black powder coat finish
- Co-cured in a rust-resistant liquid A-coat

RECEIVER HITCH ADAPTERS

- Fits industry-standard 2" hitch receiver tubes and accepts 2" shanks
- Ideal for leveling a tow bar with vehicle base plates

RV HARNESES

- Connects a towed vehicle to an RV using a standard 4-way flat trailer plug
- Simple plug-and-play design eliminates the need for cutting or splicing
- Uses towed vehicle's existing taillights, brake lights and turn signals

FREE TOW BAR DISPLAY OPPORTUNITY

Purchase the qualifying dealer program dollar amount and receive a free tow bar display and header card.

Limited time offer - while supplies last. Limit one display per dealership. Minimum order to qualify. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only CURT product.

CARGO & STRAP DEALER PROFIT PROGRAM

CARGO STRAPS

- Cambuckle mechanism allows for quick, direct tension on lighter loads
- Ratchet mechanism allows for greater tension on heavy loads
- High-strength, woven nylon
- Cinching components protected by a durable yellow zinc-plated finish

AUXILIARY LED INDICATOR LIGHTS

- Auxiliary indicator lights for increased safety on cargo carriers or bike racks
- Double row of LEDs in each strip correspond with brake, turn and running lights
- Industry-standard 4-way flat connector for quick installation
- Durable, waterproof construction for lasting weather resistance

Increases safety on cargo carriers

Versatile, stick-on adhesive backing

CARGO & STRAP DEALER PROFIT PROGRAM

18220

18221

18210 & 18211

CARGO BAGS

- Keeps cargo protected from water, dirt, wind damage and more
- Made from thick, 500 x 500 denier, UV-resistant vinyl
- Zippers feature large holes to accept a padlock
- Tie-down straps securely attach to cargo carrier frame
- Easily folds up for compact storage

18202

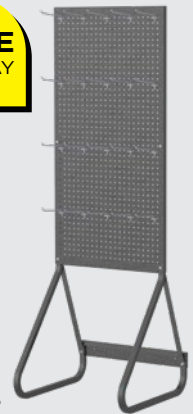

CARGO NETS

- Elastic netting provides better cargo security compared to bungee cords
- Attachment hooks feature holes for easy handling and installation

FREE PEG BOARD DISPLAY OPPORTUNITY

Purchase the qualifying dealer program dollar amount and receive a free peg board display.

Limited time offer - while supplies last. Limit one display per dealership. Minimum order to qualify. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only CURT product.

WE MAKE IT EASY. YOU MAKE THE SALE.

Lippert provides you with must-have products and all the necessary materials to create one-of-a-kind product planograms and displays. When you purchase a qualifying assortment of specific product lines, we provide you with print collateral that will be sure to push the product from the display to the register.

Solid Step® and Entry Door Upgrade Showroom Display

Solera® Dealer Modular Showroom Display

CURT 5th Wheel Display

Limited time offer - while supplies last. Limit one display per dealership. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only Lippert product. Displays subject to change.

ONE-OF-A-KIND DISPLAYS.

Looking for a unique way to display your product to customers? Look no further. We provide you with the newest, cost-effective and space saving ways to beautifully display product out on your showroom floor.

Tongue Jack Display

Trailair® Pin Box Display

Thomas Payne® Showroom Display

Limited time offer - while supplies last. Limit one display per dealership. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only Lippert product. Displays subject to change.

SMALL FOOTPRINT. BIG SALES.

These unique upright spider banners are easy to setup, move around, take up minimal floor space and give your customers the low down on the products you carry. Place one of the Ground Control banners in your service waiting area to let your customers know you have leveling upgrades, or place a Thomas Payne Furniture banner at the entrance of your showroom to let customers know you offer furniture.

Ground Control® Spider Banner

Solera® Universal Replacement Fabrics Spider Banner

Thomas Payne® Spider Banner

Limited time offer - while supplies last. Limit one display per dealership. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only Lippert product. Displays subject to change.

GET ONE MORE SALE.

Our counter displays work to make one last sale at the register. An extra moment to sell a product as you ring up a customer can create an impulsive up-sell opportunity. Our counter displays store the product in a presentable and easily accessible way so your customers get what they need right at the counter.

Sway Command®
Counter Display

BetterWeigh™ Counter Display (99293-GC)
with 12 BetterWeigh™ retail packages (not included)

Chassis Shield®
and KwikLube Can
Counter Display

360 Siphon®
Counter Display

Limited time offer - while supplies last. Limit one display per dealership. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only Lippert product. Displays subject to change.

NOT YOUR TYPICAL BROWN BOX.

Our in-house design team creates Lippert branded packaging that presents our products in eye-catching, shelf-ready boxes that will attract your customers.

IN-STORE MARKETING

Limited time offer - while supplies last. Limit one display per dealership. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only LCI product. Displays subject to change.

EYE-CATCHING PRODUCT PACKAGING.

Lippert branded packaging lets your customers know what product they are going to invest their hard earned money on. Our product packaging clearly lists the features, benefits, and quick hitting facts all while looking great.

Limited time offer - while supplies last. Limit one display per dealership. Free qualifying display is to be kept clean, visible to consumers in retail store, and showcase only LCI product. Displays subject to change.
