

» **Can this PA be used to hook up an Acoustic Electric Guitar? And if so can you hook up the Acoustic Electric Guitar and a Mic at the same time? Thanks**

Feb 18, 2014

Yes the unit has both kinds of inputs and they can be operated at the same time.

» **What kind of screws are used for this unit? And also, what are the size of the screws?**

Jul 03, 2020

The screw of the front panel for PPHP1537UB is metal and it's Self-tapping screw with disc-head fine teeth, black zinc. The size of it is ST4.5x55.
