

» **How to save and delete radio station on this unit?**

Oct 24, 2018

The preset radio stations can't be deleted, BUT THEY CAN BE REPLACED. Operations steps follows: 1. Press Remote to TUNER MODE 2. Press to AM/FM,select FM 3.Press PRE/NEXT select the stations you don't want to keep; 4.Press TUNING again choose the radio stations you want to save 5. Press MEMORY save the new stations In this way, you can replace the preset radio stations."

» **Can the antenna wire be added to this unit?**

Oct 26, 2018

Yes with unit has spring loaded antenna connections for AM and FM so you can add an external antenna to boost reception

» **IPOD docking station doesnt work?**

Oct 26, 2018

The unit docking station is desined for older version of ipod,those with the 30 pins. However you can still enjoy your music through AUX input.
