

Rothco Washable Zippered Mesh Laundry Barracks Bag

Conveniently store and wash your uniform and clothing with Rothco's Washable Zippered Mesh Laundry Barracks Bag. The barracks bag features a rustproof plastic zipper closure and an elastic zipper holder to prevent the zipper from un-zipping while in the washer machine, so you can wash the laundry bag and the contents all at once. With an overall size of 24" X 36" and a material composition of 100% polyester, the washable laundry bag will bear the weight and size of multiple days' worth of laundry. The Army laundry bag is fully meshed, preventing clothes from snagging in the washer machine and dampness by increasing airflow. On the front of the military laundry bag contains a 4 1/2" X 4 3/4" center patch to write your name and other information so the bag is not misplaced or taken by accident. Ideal for washing military uniforms, delicates, activewear, and everyday clothing.
