**SP™ CONNECT**

**NEW!** EXCLUSIVE

**SP™ CONNECT MOTO BUNDLE**

The SP Connect™ Moto Bundle lets you mount your smartphone to your motorcycle in seconds. Simply fasten the Moto Mount Pro to the handlebars and you are ready to mount the phone case or universal interface by placing it on the mount and turning it 90° clockwise. The mount also has a unique vibration dampening system that cuts G-forces by up to 40%, depending on bike and phone model. All versions, excluding the universal interface, include a weather cover to protect your phone from the elements.

- Fits standard and oversize handlebars 7/8, 1, 1-1/8, 1-1/4" in diameter
- Mount is CNC-machined from aircraft grade aluminum
- Slim, protective and functional
- Allows use of all ports and buttons
- 3-layer case construction for ultimate safeguarding
- Weather Cover protects against rain, sweat, dust or mud
- Vibration dampening system
- Portrait/landscape orientation
- 360° rotation in 6° increments
- Stainless steel hardware

Includes:

- Moto Mount Pro
- Phone case and adaptors
- Direct adaptor
- Weather cover
- 3x Plastic spacing inserts
