

### Tote Storage System **LADDERMOUNT**

- Need a place to store your tote? See the back for details on how to save valuable storage space..

### SAFETY

Not to be used for potable water, gasoline, or any petroleum product. Do not pressurize the tank.

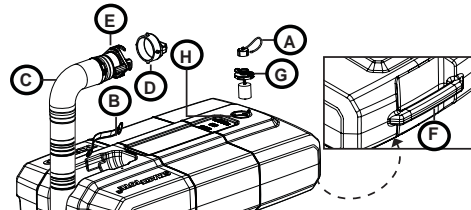

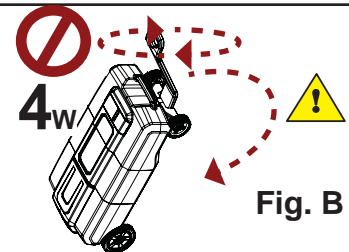

Do not exceed walking speed or five MPH during transport. Damage may occur to wheels or tank. This type of damage will void warranty.

To avoid damage to the tank, a universal tow strap **MUST** be used to transport the two wheel tank models using a vehicle.

To avoid damage to the tank, the tow handle **MUST BE COLLAPSED** before transporting the four wheel tank models using a vehicle. Refer to Fig. B for proper storage.

To avoid damage to handle, fold beneath tank. **DO NOT** rotate handle.

### MAINTENANCE

#### Tank Clean-Out

**2w** Swish or rock the tank, flushing thoroughly with a garden hose through the tank sewer hose (held upright).

**4w** Swish or rock the tank, flushing thoroughly with a garden hose through the clean-out port located on top of the tank.

#### Odor Control

To control odors and maintain life of the product, use Thetford's Storage Deodorant after every emptying (Fig. A).

#### Winterize

Winterize properly with RV antifreeze.

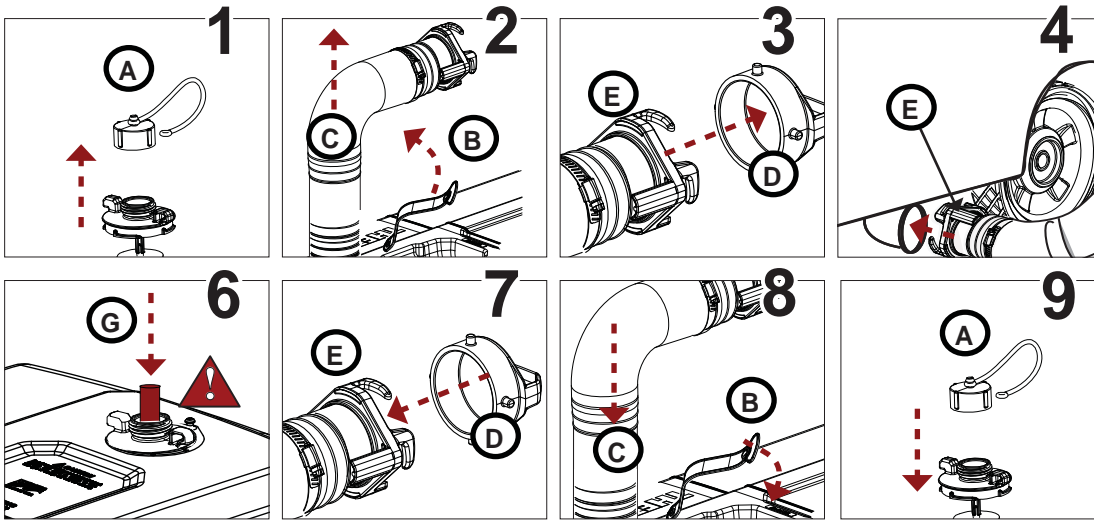

Fig. A

**FILL**

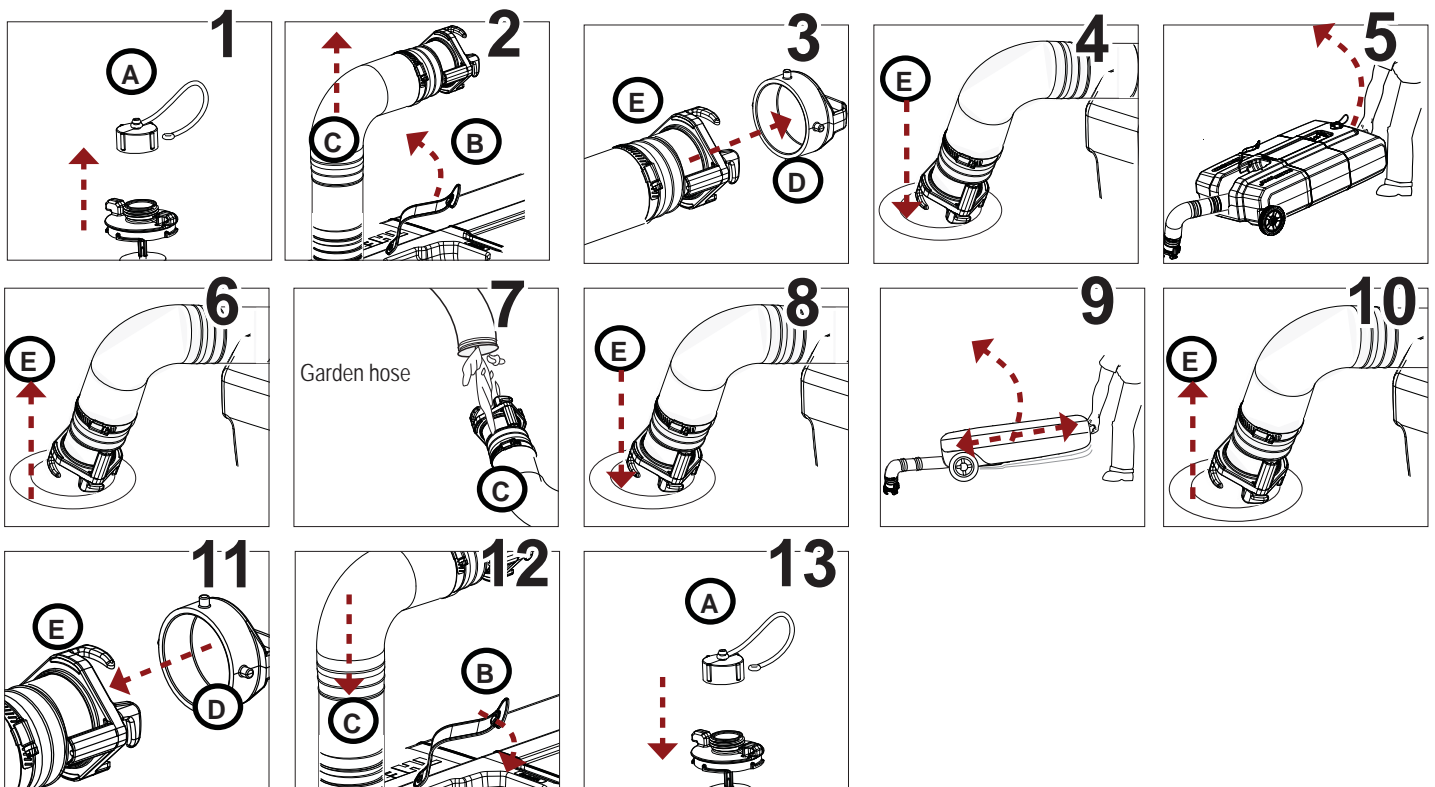

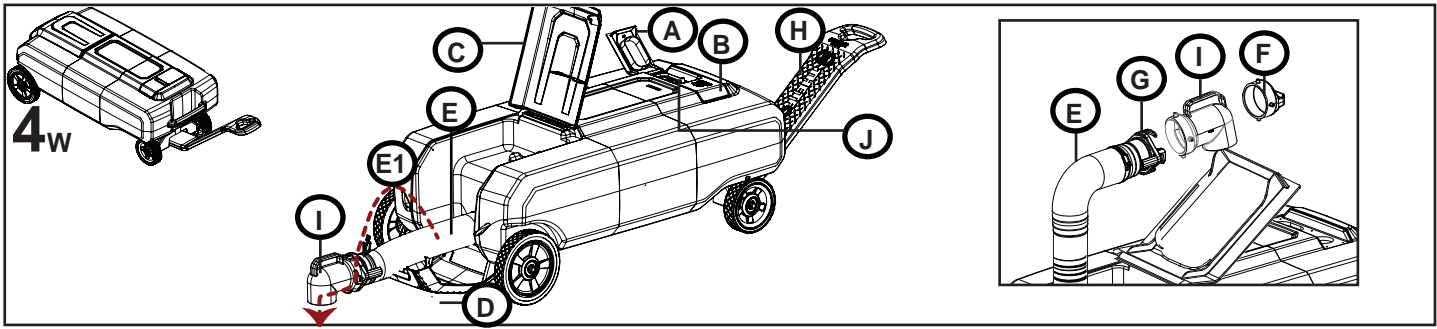

To avoid splashing, CLOSE dump valve IMMEDIATELY upon red float activation.

**5** Open coach dump valve; close when red float level indicator activates.

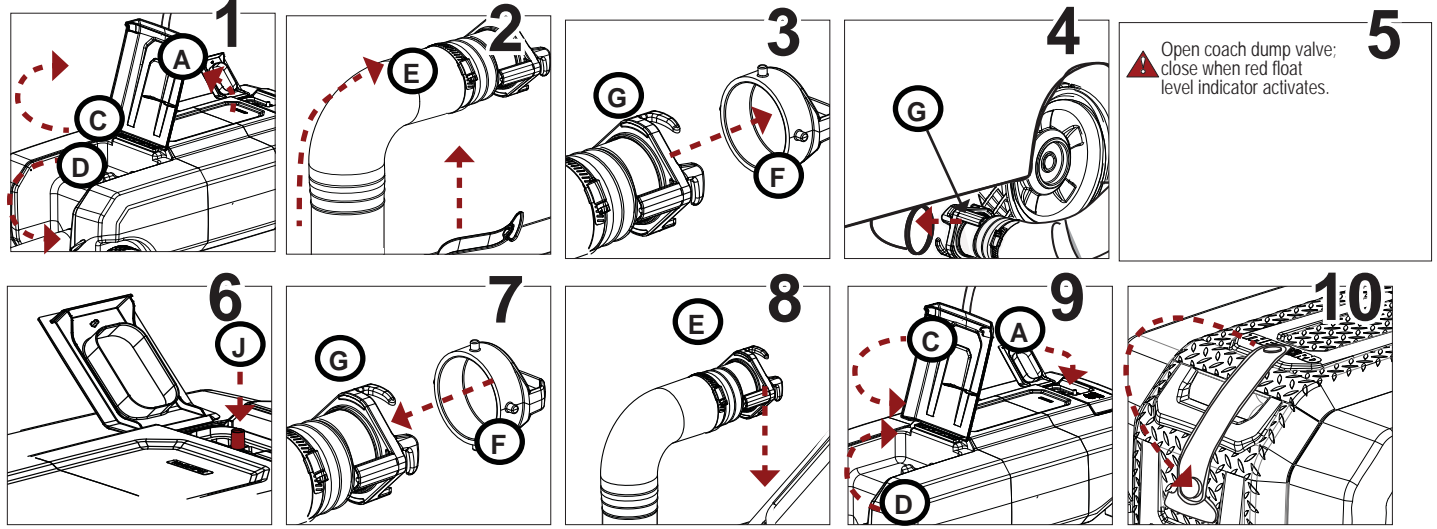

**EMPTY**

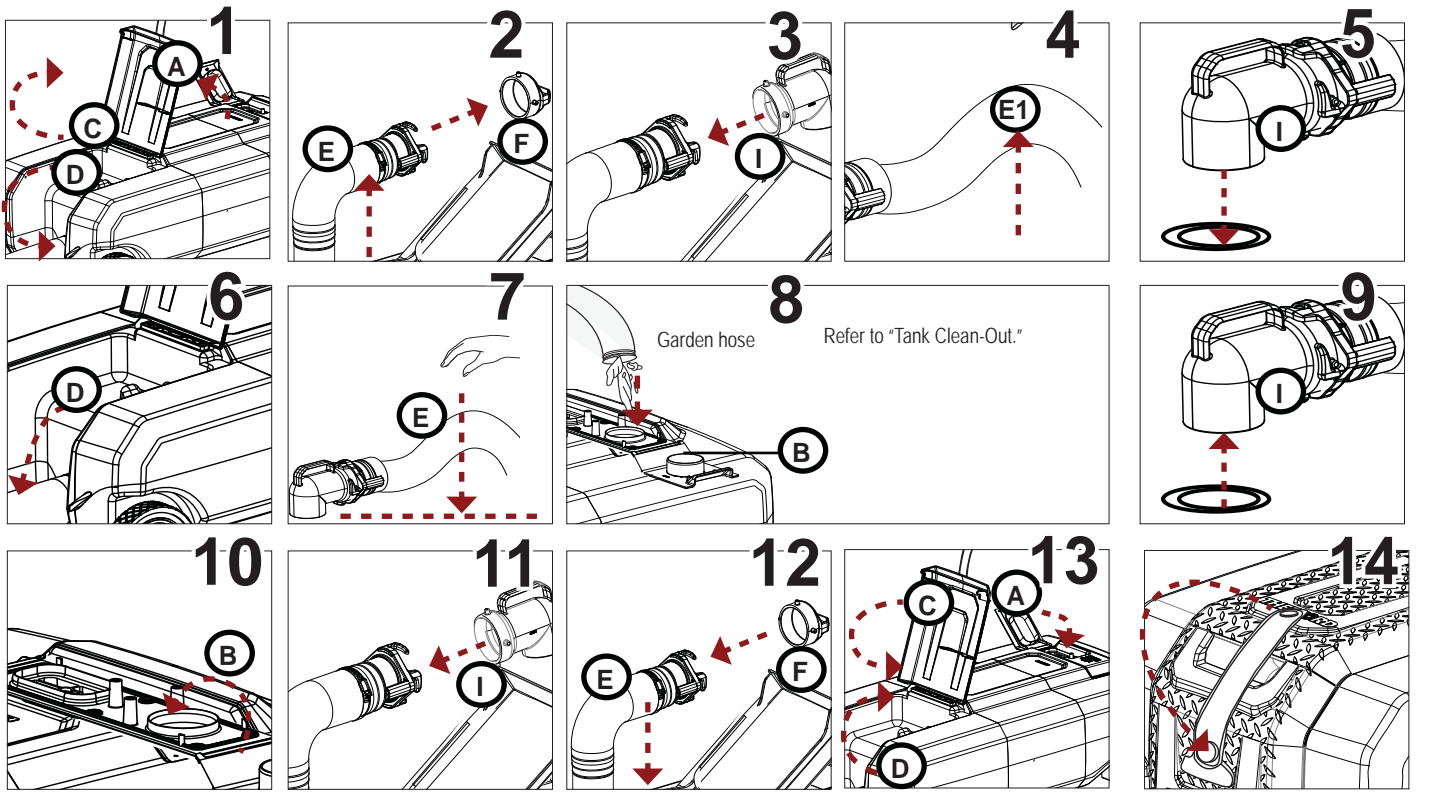

**FILL**

**⚠ DANGER** To avoid splashing, CLOSE dump valve IMMEDIATELY upon red float activation.

**EMPTY**

# PARTS

**Tote Storage System  
LADDERMOUNT**
