Perfect Gift

100% Bamboo

BPA Free

ORGANIC BAMBOO MATERIAL

Bamboo is a renewable resource, making it an environmentally sound choice for every food prep such as a cutting surface for meats, veggies, fruits, breads and cheeses. It is made of dense, premium, hand selected vertical grain bamboo, a great alternative to wood.

NON-SKID FEET

Keep the board firmly in place offering greater stability during food prep for precise cuts and sturdy workplace.

EASY ON KNIVES

Unlike plastic or wood, bamboo is gentle on knives and feel easy to cut on. It is knife and cutlery friendly.

SIDE HANDLES

Easy to pick and move from countertop to table while becoming a perfect serving tray.

EASY CARE

Simply hand wash with warm soapy waters and pat dry or wipe with damp cloth; do not soak in water or dishwasher.

WIDE WELL JUICE

Juice from fruits, vegetables and other food won't make a mess on your countertop or table. Leaving your workspace cleaner and more organized.
