

## Safety Chain Hooks

keeps the chains  
off the ground  
and prevents them  
from rusting and  
getting dirty

## Controls & Light Window

the clear window  
ensures full access  
to the controls and  
light without  
removing the cover

## Waterproof Fabric

keeps the  
elements away.  
protects the jack  
from the summers in  
Arizona to the  
winters in Alaska

## Electric Plug Pouch

protects power plug  
from the elements  
when disconnected  
from vehicle

## Leveling Bubble Window

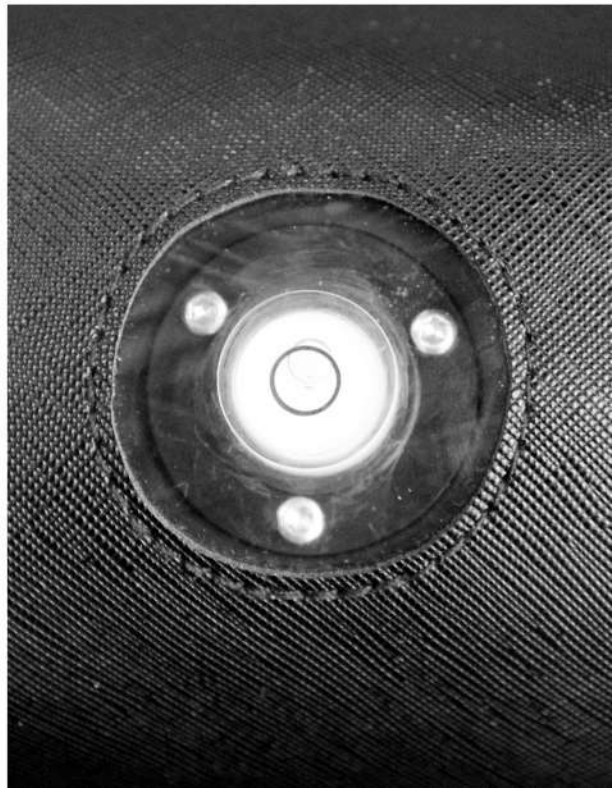

allows visibility for leveling while cover is on

(Atwood, Stromberg & Barker jacks only)

## Lockable Cover

secures cover to the jack and discourages theft

(lock not included)

## Air Vents

allows the cover to  
breathe and help  
circulate air in  
and out

## Reflective Strips

provides  
greater visibility  
at all times
