

Safety Chain Hooks

keeps the chains
off the ground
and prevents them
from rusting and
getting dirty

Controls Window

full access to the
controls without
removing the cover

Waterproof Fabric

keeps the
elements away.
protects the jack
from the summers in
Arizona to the
winters in Alaska

Electric Plug Pouch

protects power plug
from the elements
when disconnected
from vehicle

Leveling Bubble Window

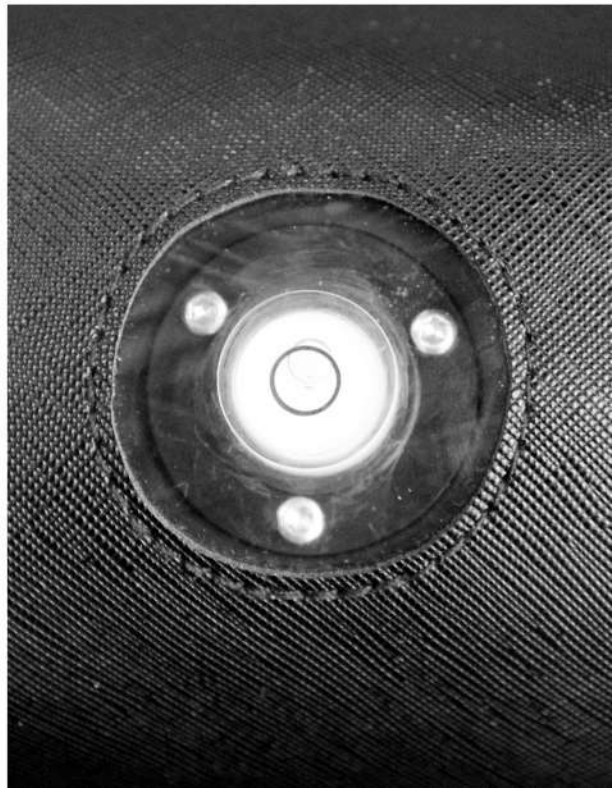

allows visibility for leveling while cover is on

(Atwood, Stromberg & Barker jacks only)

Lockable Cover

secures cover to the jack and discourages theft

(lock not included)

Air Vents

allows the cover to
breathe and help
circulate air in
and out

Reflective Strips

provides
greater visibility
at all times
