SUPERB DETAILS

We pride ourselves with regards to the quality of our materials & attention to smallest of details.

THE PERFECT DUO

Our unique Gone Camping Collection silicone set was designed to inspire while offering excellent protection when operating over open flames and hot surfaces. The perfect match to any camping/RV and outdoors enthusiasts.

NON-SLIP GRIP

Flexible silicone ensures a secured grip on all cookware items thanks to a non-skid, textured palm.

SOFT FABRRIC

Soft diamond shaped inner fabric, provides extra insulation from heat, resulting a superior comfort.

INSPIRATIONAL

Fun, inspirational and a great reminder that our travel brings us a live.

HEAT RESISTANT

Oval shaped potholder resistant up to 450°F degrees, for safely handling all hot kitchenware items.

HANGING LOOPS

Designed with intention to be showcased in your cooking space. Modern & strong silicon loops for hanging.
